Central Missouri State University

T&OE 4000 Special Projects in Career and Technology Education

a seminar class designed to build upon the professional development sessions attended at

ACTE 2003 CONFERENCE in Orlando, Florida

Conference attendees may earn 1 credit hour of graduate or undergraduate credit for only \$80 through the Department of Career and Technology Education and Office of Extended Campus at Central Missouri State University.

To earn credit, conference attendees must complete the following steps:

1. Complete CMSU registration form, being certain to clearly mark if you are seeking graduate or undergraduate credit. To acquire a faxed or mailed registration form, call 660 543 4452.
2. Mail registration form with check payable to CMSU in the amount of \$80 to:
Mrs. Lori Cochran
Central Missouri State University
Grinstead 235
Warrensburg, MO 64093
3. Submit assignment #1 by Dec. 31, 2003
4. Submit assignment #2 by April 19, 2004

Assignment #1

Submit a 3 – 5 page paper (word processed, double spaced, 12 point font). Your papers must provide 1) a reaction to the overall conference, 2) a justification for going to this conference during tight economic times, 3) an objective summary of each session attended (or presented) and 4) an explanation of how you will make use of the information in your current C&TE position.

Assignment #2

Submit a second paper (word processed, double spaced, 12 point font) **OR** project summary outlining how you utilized the Assignment #1 information.

Suggestions for Assignment #2:

1. Design and implement a professional development opportunity for C&TE **PROFESSIONALS** in your building/district sharing with them the information you learned at ACTE. Submit the presentation/activity summary.
2. Design and implement a professional development opportunity for C&TE **STUDENTS** in your building/district sharing with them the information you learned at ACTE. Submit the presentation/activity summary.
3. Outline a presentation you might propose for the 2004 MOACTE or ACTE Conference and give a rationale for the presentation, how will it be of benefit, and what people will get out of it when attending,
